PROFILE

I'm an applied mathematician with solid modelling, statistical and programming background. Machine learning and data science fascinate me. I'm interested in the tech and financial industries, especially in consulting.

ACADEMIC QUALIFICATIONS

Bachelor's: 2016-2020

Instituto Tecnológico Autónomo de México
9.24 GPA

High school: 2013-2016

Colegio Columbia
9.87 GPA

AWARDS

Highest GPA — High school
