EDUCATION

Instituto Tecnológico Autónomo de México — College 9.24 GPA
2016- 2020
Colegio Columbia — High school
2013-2016   9.87 GPA

AWARDS

Highest GPA — High school
Participant — Model United Nations in NYC (GCIMUN)
3rd Place — 19° Concurso Nacional de Matemáticas A. N. Kolmogorov

SKILLS

- Logical and critical thinking
- Work under pressure
- Problem solver
- Self-learner
- Team player

EXPERIENCE

Tutoring to high school and college students
-Calculus and differential equations
-Probability and statistics
-Matrix and linear algebra

Community service in "Casa del Adulto Mayor"
-Syllabus and calendar planning
-English teaching
-Team leading

INTERESTS

- Machine learning and data science
- Mathematical modelling
- Statistical inference
- Running half marathons and taekwondo
- Guitar, music and concerts

SOFTWARE

-Java, Python, Latex, VBA and R
-MatLab and Excel

LANGUAGES

Native Spanish, advanced English, intermediate German
